

“The experience that PKF’s clients have given me is fantastic. Now I’m able to give something back through taxation education and training.”

anthony sloan

experience

Tony is the Partner in Charge of PKF Tax Consulting. Tony is also on the PKF Executive Board and is PKF Sydney’s international tax representative, which means that Tony is intricately involved with PKF’s global tax practice and attends the annual international tax conference in the USA, Europe or Asia.

Tony has been in the Profession for over 24 years and is a leading tax adviser in Australia. He has been specialising in tax for the past 16 years. Prior to joining PKF 15 years ago, Tony was with a Big 4 accounting firm for about 8 years.

Tony has a Bachelor of Commerce degree from the University of New South Wales, is a Chartered Accountant and a Fellow of the Taxation Institute of Australia. He is also a former member of the NSW Tax Technical Committee of the TIA, a former member of the TIA State Council and a former member of the Tax Committee of the NSW State Chamber of Commerce.

Tony has advised the Government on the rewrite of the Tax Act, including the capital gains tax, trading stock and income provisions, as a member of various advisory panels. He is also a technical advisor to the Institute of Chartered Accountants in relation to the CA program. Tony has written for numerous publications and co-authored over 200 pages of commentary in Australian Tax Practice on the extremely onerous capital gains tax value shifting provisions.

Tony has considerable skills in not only tax, but also in accounting, accounting systems and commercial issues due to his 3 years of experience in the Audit Division of a Big 4 accounting firm and 2 years of experience in the National Technical Office developing and presenting courses in accounting and company law.
