

“It is very important that PKF’s clients meet their tax obligations. As well as helping them to do this, I develop strategies that help them to maximise their profitability.”

john afford

experience

John is one of the firm’s three indirect tax partners. He has 20 years consulting experience, including 5 as a partner in a Big 4 accounting firm.

John advises on GST, pay-roll tax and stamp duty. He began his advisory work whilst employed as an investigations officer in the Australian Taxation Office. Today his clients range from some of the largest multinational corporations to sole traders.

John is particularly interested in developing strategies for business to maximise their profitability.
