

“PKF’s forensic accounting services provide surety to businesses who need practical ways forward. I enjoy working across the financial and legal professions to help deliver these solutions.”

warwick finney

experience

Warwick joined PKF Sydney as partner in 2001 from Lord & Brown where he was also a partner. He has practiced as a Chartered Accountant for over 30 years. Warwick started his career as a partner in Deloitte Touche Tohmatsu and ran his own practice for some years.

Warwick specialises in litigation support, forensic accounting and valuation services.

He has had a broad range of experience across many industries and has appeared as an expert witness in numerous commercial matters in the Supreme Court of New South Wales, the Federal Court of Australia and the New South Wales District Court.

Warwick has co-authored a book published by CCH, "The Accountant as an Expert Witness: A Basic Guide to Forensic Accounting".
