Be Remarkable

At PKF, we pride ourselves on our ability to train and transform professional careers. Regardless of your career experience, our Be Remarkable Development Framework will take you to the next level.

Our leadership training is open to all team members of PKF and will enable you to have better conversations across all levels of our organisation. We focus on an individual's strengths and their uniqueness and we look to harness that uniqueness within our organisation.

	Grad Training Program	Dare to Aspire	Thrive and Lead	Leadership Excellence	K2
Who is it for?	For those who have nearly finished or recently finished their studies.	For Seniors to Assistant Managers.	For Managers to Partners.	For senior members of the team who want to be more coach-like in their leadership style.	For those aspiring to be a Partner or part of the C-Suite at PKF.
What you will learn?	The skills you need to complement your technical ability.	To shift your mindset and behaviours from doing work to managing the people.	To shift up a gear enabling you to thrive in every aspect of your performance and leadership.	How to improve the quality of your interaction with every connection you make.	You will experience the emotional investment and awareness necessary to succeed as a Partner.
The outcomes you'll achieve	To be a more rounded employee with the skills you need for future success.	To be a stronger leader with the skills you need to thrive managing a team.	The leadership skills to bring professional growth to those around you and for yourself.	To become an internal coach, joining our team of internal coaches who support our pathway programs.	Your mindset and behaviour will be that of a business owner with a deep understanding of what partnership entails.
Our Values	Be the change. Belong together. Stay authentic.				
PKF Culture	A desire to go beyond skills training and truly enable PKF to accelerate positive business outcomes, increasing engagement and retention.
